

Protection Against Unexpected Repair Bills.

If you are a typical homeowner, you probably worry about such things as broken kitchen appliances, plumbing concerns and possible furnace breakdowns. Even with proper maintenance, problems like these can arise at any time, leaving you with a large repair or replacement bill.

This is where CornerStone comes in.

Backed by a fully insured (A-Rated) company this service plan covers your home against many common things that can go wrong. When you consider what it would cost to repair or replace major items in your home, the cost of a CornerStone service plan is well worth the expense! We provide you with:

- peace of mind
- increased resale value
- affordable and extensive protection
- nationwide coverage
- fully insured program
- renewable option

The money you save can pay for the cost of the service plan.

Using CornerStone is Easy.

1. Call our toll-free claims number. An experienced representative will take your information and verify that the item is covered under the terms of your contract. You will then receive the "go-ahead" to have the item fixed or replaced.
2. Select your own local contractor to come to your home to inspect the item.
3. A contractor of your choice will assess the problem and then repair/replace the item, as directed.
